## Appellation **BEAUJOLAIS-VILLAGES Rosé**

**Sustainable winegrowing with partial, controlled grass cover**

**VILLAGE :** JULLIE (Rhône)

**PLACE :** « Les Roberts » - « La Roche »

**SURFACE :** 5 HA

**DENSITY:** 10 000 vines/HA

**AVERAGE AGE:** 40 years old

**YIELD :** 52 HL/HA according to AOC prescripts

**SOIL :** Granitic shale

**VARIETAL:** Gamay – Goblet pruning

**ORIGIN:** A section of this vineyard is next to the Château de La Roche belonging to Madame La Marquise de Fayolle. We acquired it in 1988.

**WINEMAKING:** Manual harvest. Maceration in vats for 12 hours then direct pressing. Alcoholic fermentation at low temperature, then a quick malolactic fermentation and early bottling to preserve the aroma intensity

**WINE PERSONALITY:** A nice pastel orange color, red berries and fresh grapes aroma. A feeling of freshness and mellowness in the mouth.

**OUR WINETASTING SUGGESTIONS:** To drink fresh (14°C / 57°F). Ideal before a meal, with raw vegetables or grilled meat. Drink within 18 to 24 months.
